PETITIONING THE COURT

TO ORDER AN ORDER TO SHOW CAUSE HEARING

Pretrial Services believes the defendant violated the following conditions of pretrial release:

CONDITIONS	**ALLEGATION OF NONCOMPLIANCE**
Report for supervision to the Pretrial Services Agency as directed by the assigned Pretrial Services Officer.	1. On May 5, 2008, the defendant failed to report to Pretrial Services for drug testing.

Grounds for violation: On May 1, 2008, the defendant signed reporting instructions and acknowledged he was to report to the Pretrial Services Agency every Monday or as instructed for drug testing. On May 5, 2008, the defendant failed to report to the Pretrial Services Agency as directed for drug testing.

Not possess or use any narcotic drug or other controlled substance without a lawful medical prescription.

2. On May 6, 2008, the defendant submitted a urine sample which tested positive for THC metabolite (Marijuana).

Grounds for violation: The undersigned received and reviewed written notification from the U.S. Pretrial Services laboratory which confirms the urine sample submitted by the defendant on May 6, 2008, tested positive for marijuana use.

VIOLATION SUMMARY

SUPERVISION ADJUSTMENT

Mr. Inda commenced his pretrial release on April 25, 2008. On May 1, 2008, the defendant submitted a urine sample which tested positive for THC metabolite (marijuana). The defendant reported to Pretrial Services he was using marijuana on a daily basis and last used marijuana on April 15, 2008 (day of arrest). According to U.S. Pretrial Services Supervising Drug Analysis Specialist Paula Svandova, the positive urine sample submitted on May 1, 2008, is consistent with marijuana use prior to being released on bond.

On May 6, 2008, the defendant submitted a second urine sample which tested positive for THC metabolite. The defendant denied using marijuana while on bond. According to U.S. Pretrial Services Supervising Drug Analysis Specialist Paula Svandova, the THC metabolite levels on the second sample increased from the first sample which is consistent with new marijuana use. With this considered, it appears the defendant's supervision adjustment is poor.

DEFENDANT HISTORY/CHARACTERISTICS

Mr. Inda is a 21-year-old United States citizen who is single with no children. Mr. Inda has an 11th grade education, and he is currently unemployed. While on bond, the defendant has been residing in Imperial, California, with his parents and siblings.

RECOMMENDATION

Mr. Inda has been on pretrial supervision for two weeks, and he is demonstrating noncompliant behavior as it appears he continues to use illicit drugs. Pretrial Services has not been able to address the defendant's substance problem as he denies using marijuana while on bond. Therefore, Pretrial Services request your Honor cite the defendant to court for an Order to Show Cause Hearing on May 13, 2008, at 1:30 p.m. to address why his bond should not be revoked.

I declare under penalty of perjury that the foregoing is true and correct.
